

### **REMARKS**

The Office Action dated June 28, 2005, has been received and carefully noted.

Claims 1 – 14 are being presented for reconsideration. Claim 1 is being amended to more clearly point out and distinctly claim the invention by reciting a “wheel assembly” to encompass both rotary and stationary parts. No new matter is being added.

The Abstract was objected to because of unnecessary language contained therein. The Abstract is being amended as needed. A clean copy thereof is attached hereto.

The Specification is being amended to add appropriate headings. No new matter is added.

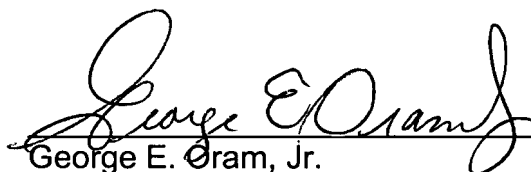

Claims 1 - 14 were rejected under 35 U.S.C. 112, second paragraph as unclear and indefinite and were also indicated to be otherwise allowable. Claim 1 is being amended to more clearly point out and distinctly claim the invention by reciting a “wheel assembly” to encompass both rotary and stationary parts. It is respectfully submitted that this is clear and accurate.

An early Notice of Allowance is respectfully requested.

Should the Examiner determine that any further action is necessary to place this application into better form, the Examiner is encouraged to telephone the undersigned representative at the number listed below.

In the event that this paper is not considered to be timely filed, a n appropriate extension of time is requested. Any fess for such an extension, together with any additional fees that may be due with respect to this paper, may be charged to Deposit Account Number 01-2300, referencing Attorney Docket Number 021305-00196.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "George E. Oram, Jr.", written over a horizontal line.
